

PVCICS SEPAC

Special Education Parent Advisory Council

Families supporting families!

Who is SEPAC?

We are a volunteer organization of families of children with disabilities. We are mandated to exist under Massachusetts Special Education Law and are charged with advising PVCICS on matters that pertain to the education and safety of students with disabilities, meeting regularly with school officials to participate in the planning, development, and evaluation of the district's special education program.

Upcoming Meetings:

December 14th at 5:30PM

January 18th at 5:30PM

February 15th at 5:30PM

March 15th at 5:30PM

April 12th at 5:30PM

May 17th at 5:30PM

Members of SEPAC:

- Parents and/or guardians of children who receive any type of special education services or accommodations in school, such as an Individual Education Program (IEP) or a 504 accommodation.
- Families who think their child may have a learning issue or differences and would like to understand special education.
- Educators and any other community member who wants to learn more!

Anyone in the public is welcome to attend any of our meetings!

Childcare is provided if RSVP five days prior to a meeting at dms3e@yahoo.com.

Please see www.pvcics.org/home/sepac for more information and updated meeting times.
